### Monica Pearson, President

Welcome!

On behalf of the members of the Ivy Community Foundation, Inc. thank you for attending the 19th anniversary of the 2024 Pink Cultured Pearls Cotillion.

The Ivy Community Foundation, Inc. is a 501(c)(3) nonprofit organization. Because of the support of sponsors and patrons, like you, we can provide scholarships and mentoring programs to deserving young people through Georgia. Your generosity also allows us to advance our mission of building the community through service, scholarship, and programming.

Let me offer an incredibly special thank you to all the parents and guardians for sharing your beautiful and talented daughter with us during this occasion. It is our hope that they will remember for a lifetime tonight's Cotillion, and the lessons learned. Thank you to all the family, friends, and benefactors who supported the efforts of our Debutantes, Pre-Debutantes and Escorts. This night would not have been a success without your support, commitment, and participation.

There is no way to adequately thank Mrs. Billette Owens Ashford and the entire Cotillion Committee for the countless volunteer hours they have invested to make this event a magical evening for everyone. Your dedication and commitment over the past several months are a testament to the spirit of this organization and an example for all to follow. Your stellar leadership is appreciated!

Again, congratulations to our 2023 Debutantes! Enjoy your special evening. And thank you to all in attendance for your continued support of the Ivy Community Foundation, Inc.

Continued blessings,

Monica Pearson President

Ivy Community Foundation

### Alpha Kappa Alpha Sorority, Incorporated® KAPPA OMEGA CHAPTER

Atlanta, Georgia

#### Greetings!

As you stand on the threshold of this new chapter, you have been imbued with a profound sense of duty and privilege. The mantel you have been given is not just an honor; it is a testament to the faith placed in you, a charge you should be committed to keeping with all the dedication and integrity it demands.

In this journey, you will find myself reflecting on the essence of responsibility and the importance of perseverance. It is a path paved with challenges, but also rich with opportunities to have influence, to inspire change, and to lead with courage and compassion. The role you have assumed is a beacon that guides you, a constant reminder of the impact one individual can have when they are driven by a purpose beyond themselves.

To our debutantes, navigating your own set of challenges, I offer these words of encouragement: Believe in the strength of your convictions and the value of your contributions. The journey may be fraught with uncertainties, but it is our resolve in the face of adversity that defines us. Remember, the most significant achievements often come from the steadfast determination to press on, even when the path seems insurmountable.

Let us both embrace our duties with a heart full of hope and a spirit resilient against the trials of tomorrow. Let us be guided not by the fear of failure, but by the promise of what lies ahead if we dare to dream and strive with unwavering faith in ourselves and our mission.

In this shared commitment to your charges, may you support one another, celebrate Your victories, no matter how small, and learn from every setback. Together, you can ascend beyond the ordinary, forging paths that leave lasting legacies for those who follow.

With warmth and encouragement,

Bridgette Grant

Greetings,

It has been an honor and a pleasure to serve as the chair of the 2024 Pink Cultured Pearls Debutante Program and Cotillion. Serving as chair has been an extremely rewarding experience for me. I am sure the members of the Program Committee feel the same way. I would to like extend best wishes and continued success to each of our program participants. On behalf of the Ivy Community Foundation, I would like to thank the parents, guardians, and families of our Debutantes, Pre-Debutantes and Jr. Escorts for allowing them to be a part of the program. We hope that they will fondly remember tonight's cotillion and the lessons that they have learned as program participants.

I would also like to thank the members and officers of the Kappa Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated as well as the members and Board of the Ivy Community Foundation for the endless support that is extended to the Pink Pearls program. Your support demonstrates our continued commitment to the growth and well-being of Atlanta's Youth. Lastly, there is no way that the Pink Cultured Pearls Program could work as well as it does without the support of a dedicated program committee. I take this opportunity to thank the committee for their countless hours of service to ensure the success of the program. I applaud your service. You are truly Pink Cultured Pearls.

### The Pink Cultured Pearls Debutante Program and Cotillion

In the fall of 2004, The Kappa Omega Foundation now known as the Ivy Community Foundation wanted to more fervently support the youth of metropolitan Atlanta in the areas of life skills, college readiness, and the social graces. The vision of the Pink Cultured Pearls Cotillion was conceived. The Pink Cultured Pearls program provides its participants with mentoring and scholarship opportunities. It also serves as a major fundraiser for community projects, capital improvements, and charitable gifting for the Ivy Community Foundation. Each year Miss Pink Cultured Pearls is crowned along with her attendants. The top winners are selected based on attendance to program activities, fundraising, and overall program participation. All participants will receive an appreciation keepsake and are eligible for other awards based on character, academic achievement, essay competition, just to mention a few. To date The Ivy Community Foundation has awarded over 300, 000 thousand dollars in Scholarships to cotillion participants to assist with post-secondary studies. The Ivy Community Foundation's first Pink Cultured Pearls Cotillion was presented on Saturday March 11, 2006. The Inaugural cotillion was chaired by Stephanie Oliver and co chairs Regina King and Portia Brantley. Is was truly an affair to remember and commendable success. As We Watch You Grow

Do you know how much you mean to us?

As you grow into what you will be.

You came from within, from just beneath our heart.

Its there you'll always be, though your own life will now start.

You're growing so fast it sends us awhirl,

With misty eyes we ask, where's our little girl?

I know sometimes to you we seem harsh and so unfair,

But one day you will see, we taught you well because we care.

The next few years will so quickly fly,

With laughter and joy, mixed with a few tears to cry.

As you begin your growth to womanhood, this fact you must know,

You'll always be our source of pride, no matter where you go.

You must stand up tall and proud, within you feel no fear,

For all your dreams and goals sit before you very near.

With God's love in your heart and the world by its tail,

You'll always be our winner, and victory will prevail.

for you is infinite and your love for YOU should be the same.

Conceived in 1922 by Leon W. Stewart, and suggested at the twelfth Grand Chapter of Kappa Alpha Psi, Guide Right became the fraternity's national service program. Guide Right encompasses many of our youth oriented programs such as mentoring, college preparatory programs, and tutoring. However, the Flagship Initiative of the Guide Right Service Program is the Kappa Leadership Development League (Kappa League).

Kappa League was founded on Thursday, February 12, 1969, by the Los Angeles Alumni Chapter of Kappa Alpha Psi Fraternity, Inc., at Alain LeRoy Locke High School. Kappa League was adopted by the Grand Chapter of Kappa Alpha Psi Fraternity, Inc. at the 56th Grand Chapter which was held August 12-15, 1970. It is now part of Guide Right, our national service initiative.

You are your late grandparents' wildest dreams!

You never had the chance to meet Grandma Irma but you somehow have her personality, mannerisms and quick wit. PaPa is looking down from Heaven's balcony and smiling as he remembers you all snacking on peanuts and Coca-Cola.

You were the grandchild that kept your PaPa young, vibrant and on his toes.

Sending hugs from Heaven,

#### DEBUTANTE ROSE ELIZABETH BULLOCK

Rose,

Today we see a young woman, as a little girl who had her sights on Spelman College. As with many aspects of life that sneak up, we find this sentence hard to believe. And then we look at you and no longer see a little girl and we know it IS TRUE. For us it has been a Joy watching you embrace the stages of your life, bringing you to this moment. You have such an awesome support system with your Ma and Russell, but your mother has kept you and Russell rooted in family, embracing, and engaging your people. Your Auntie Karen has those relationships with her family, I did not realize the value of those relationships when I was your age. I urge you to continue to treasure them, as well as your relationship with God.

We are so thankful for you and the blessing you are and continue to be in our lives. We thank God for you and for you wanting us to be a part of your life. Words cannot express how much we love you, how proud we are of you and the young woman you are becoming, and the person you are. You have never stopped being joyful and living life. We love your heart for God and others. Rose, you are already great just as you are, but we cannot wait to see where God takes you in your beautiful life.

Our prayer and hope for you is that as you continue to grow and move in to adulthood, you will be rooted in love and belonging and that you will continue to know that you are loved, that life will bring you every ounce of goodness it has to offer and that you will always, always know beyond a shadow of a doubt that we are here for you.

As your Auntie say's... SUPERLOVE

My dear, you are destined for greatness and I cannot wait to see you continue to rise.

The road to success is not straight...

There is a curve called failure...

A loop called confusion...

Speed bumps called friends...

Red lights called enemies...

Caution lights called family...

You will have flats called jobs, but...

If you have a spare called determination...

An engine called perseverance...

Insurance called faith...

And a driver named Jesus...

You will make it to a place called SUCCESS!
